Most tools needed for contest use will be supplied by the Milwaukee Tool Company, and you will be able to take them home with you after the contest. If you are more comfortable using your own tools, rather than contest-supplied items, you are permitted to bring them.

If you plan to fly, please check the TSA website to ensure you are permitted to travel with certain items, like lithium batteries. [TSA Website](#) If you choose to ship your tools (UPS or FedEx), be sure to use a trackable service.
