Lee McFarland In Honor of Craig Lewis

Kathy Thaut In Honor of Sandy Stack
PHCC Past National Officers in Honor of Michael Copp
PHCC of Virginia In Honor of Bev Potts
PHCC of Oregon In Honor of Ellen Whitaker

FOUNDATION ENDOWMENT GIVING

The stability of the Foundation's finances can be credited to the over 70 contractors, manufacturers and industry partners who made major gifts to establish the Foundation's Endowment Fund. This fund is restricted, with only a portion of the fund's investment earnings being used to provide funding to develop and maintain Foundation programs. These major donors form the core membership of our committees and together serve as our Board of Governors.

We were happy to welcome new members to the Foundation Board of Governors in 2021 –

Jim and Sandy Stack

Formerly of Stack Plumbing in Kirkland, WA (Retired)

Jim Stack served as a member of the Board of Directors of the PHCC of Washington State Association and his local PHCC association throughout the 1990s and 2000's, including terms as local and PHCC of Washington State President.

He served two terms as a PHCC—National Association Board member before running for national office. He moved through the chairs and served as the PHCC National President 2005 to 2006.

Sandy met Jim through PHCC. Sandy has been continuously active in the PHCC Auxiliary, serving on various committees and the National officer chairs leading up to her term as National Auxiliary President in 1997-1998 and again in 2012-2013. She has also served as Auxiliary representative on the PHCC—National Association Board and as a board member.

Jim and Sandy are also both volunteers with the Foundation. Jim has served on the Scholarship committee for over a decade. Sandy has been on the Foundation's Invest in Your Future annual giving campaign committee for nearly 20 years.

Jim & Sandy have been regular donors to the Foundation and in late 2020 they made the commitment to join the Board of Governors.

Jonathan and Susan Moyer **Cocalico Plumbing & Heating in Denver, PA**

Jonathan started his plumbing & heating business over 30 years ago out of his home and worked to grow it to a thriving company with 18 employees. Always humble, he credits the dedication and hard work from his family members and his staff for its success.

Jonathan has served as a local PHCC President, PHCC of Pennsylvania state Secretary and President, National Board member and PHCC—National Association President from 2019 to 2020.

Jonathan and Susan have been married for over 35 years, with two sons and four grandchildren. They enjoy spending time in the great outdoors and with family. Both are actively involved in their church and outreaches, including taking mission trips to Guyana almost annually.

As Jonathan's term as PHCC National President was ending, he & Susan took the opportunity to commit to joining the Foundation Board of Governors as major donors.

IN MEMORIAM

Remembering Our Friend John

In March 2021 we lost our friend and Foundation Board of Governors member John McWilliams. John was a longtime PHCC member, a Past President of the Illinois PHCC state chapter, a PHCC Past National Officer and a friend to many of us in the Foundation, Association and PHCC Auxiliary. John and Gail McWilliams are among the earliest members of the Foundation's Board of Governors and helped to build the organization into what it has become today.

In Memory of Richard Kerzetski

Rich Kerzetski had no difficulty making friends – his smile and warm personality made every conversation with him an opportunity to laugh and enjoy life. It was a sad surprise in October 2021 when we learned that he had passed away.

Rich and his wife Karen are members of the Foundation Board of Governors. He had served as a member of the Foundation Board of Directors, president of the PHCC of Nevada chapter and as an instructor for his local apprenticeship program. Drawing on that instructional experience, he made a lasting mark on the Foundation's apprenticeship program through his service on the Plumbing Curriculum Review Committee.
