IN MEMORIAM

Losing a Legend – Dick Irwin
Raymond R. "Dick" Irwin passed away in early January 2022 at the age of 93.

Dick Irwin first proposed the creation of the PHCC Educational Foundation in 1985 and worked tirelessly to get the industry support required to get the organization off the ground. His vision was the creation of a PHCC organization dedicated to serve the industry with a sole focus on education.

Through his influence and efforts, creation of the Foundation was approved by the PHCC membership in 1986 and the next year he started his term as Co-Chair of the new Foundation.

When we saw him at the 2015 PHCC national convention, he sat in as guest at the Foundation Board of Directors meeting. At the end, he shared that he was proud of how things had worked out for the organization and that the Foundation was accomplishing what he had envisioned when he got us started.

In Memory of Kate Ward
Goodbye to our friend Kate Ward. She and her husband, Past PHCC—National President John Ward from Raleigh, North Carolina, were familiar faces at PHCC conventions in the 1980s and 90s.

John helped to get the Foundation off the ground during his term as president, and they became members of our Board of Governors right from the beginning. John passed away in 2003, but we stayed in touch with Kate through the years.

She passed peacefully in June at the age of 98.
