Please feel free to personalize these talking points or add any that reflect the unique strengths and activities of your chapter.

- PHCC will be in Oklahoma City, OK from March 23–25 hosting the [2026 QSC Catalyst Meeting](#). This event is open to all plumbing and HVAC contractors who are interested in growing their businesses and engaging with the QSC community.
- PHCC National is excited to host the upcoming members-only webinar; [Is an ESOP Right For You? - Evaluating Price, Control, Identity, and Legacy in an Exit Decision](#). The program will be held on Wednesday, April 22, 2026, from 2:00–3:00pm ET.
- The 2026 Legislative Conference will be held May 5–6 in Washington, D.C. This is a valuable opportunity to engage directly on issues impacting our industry. Make your voice heard and [sign up today!](#)
- Be a part of strengthening the next generation of PHCC through the [2026 PHCC Educational Foundation scholarship program](#). For 2026, the foundation plans to award 70+ scholarships to plumbing and HVAC apprentices & trade school students, plus college students pursuing studies directly related to the plumbing-heating-cooling industry. Contractors, be sure to have your apprentices apply! Applications are open through May 1.
- New in 2026, PHCC launched [Visionary Peer Groups](#) facilitated by expert business coaches. Monthly sessions for this first peer group are underway, with a second group launching this spring.
- [CONNECT 2026](#) is PHCC National's annual conference. This year's event takes place October 19–22 in Milwaukee, featuring education, networking, and a Product & Technology Showcase.

- The [PHCC Educational Foundation](#) has expanded its online learning with a training catalogue to enhance crucial communication and sales skills that will help build high-performance individuals and fuel business growth.
- Looking for a specific network of peers? For [contractors seeking a community](#) tailored to their business model, PHCC offers several Enhanced Service Groups including: Quality Service Contractors for service and repair businesses, a Construction Contractors' Alliance for new construction contractors, and a Union-Affiliated Contractors for signatory shops that can help strengthen the way you do business.
