ADVOCACY

ACCOMPLISHMENTS IN SUPPORT OF OUR
FOUR ADVOCACY PILLARS:

1 WORKFORCE DEVELOPMENT

Pell Grants are now eligible for short-term workforce education programs in community colleges and vo-tech schools, specifically HVAC programs.

2 ENERGY CHOICE

27 states have adopted “fuel choice” laws that prevent local governments and municipalities from banning natural gas in new construction and major renovations.

3 REGULATORY REFORM

100+ members attended the 2025 Legislative Conference. Members of Congress and the administration have been developing policies that have a direct impact on the plumbing and HVAC industry and they count on meeting with PHCC members annually to better understand the community.

4 PRO-GROWTH TAX POLICIES

PHCC members and leaders met with lawmakers to champion key provisions in the **Big Beautiful Bill** (H.R.1). Results of this victory include:

- Extended permanently the Section 199A pass-through income deduction
- Maintained higher estate tax exemption thresholds
- Extended bonus depreciation with full expensing beyond 2026
